

ADEQUATE TRANSPORTATION POSSIBLE

LET'S HELP KEY SYSTEM

The Key System Transit company has asked for the abandonment of that portion of its line which lies north of the city limits on Twenty-third street and serves a great section in the northern part of the city and San Pablo.

The RECORD-HERALD recommends whole hearted support of the plea before the State Railroad commission, with the addition that the entire system of the company be abandoned in the city so that we can be provided with modern transportation.

A. J. Lundberg, president of the company has stated that every car which the company runs to and from Richmond is operated at a loss, in spite of the high fares. Richmond should be above charity, especially from an organization which admits that it is practically bankrupt and unable to keep up with the advancement of the great East Bay area.

Richmond, let's quit taking pennies out of the poor box and mine some of the gold that is right at our doorsteps.

Modern transportation is the answer to development and advancement as far as cities are concerned.

Let's make a short analysis of the transportation system as far as the Key System is concerned.

The company has admitted a loss for the last few years.

No new lines have been built, and in Richmond, Oakland and Alameda lines have been abandoned because not enough cream was forthcoming.

This is spite of the fact that the cities are gradually building up.

The company took up the San Pablo-Grand Canyon line in the face of the large number of new homes going up in that section, claiming it was a non-producer. If that is true, there isn't a single section in the Eastbay that will ever have enough patrons for the pioneering of new lines.

The Key System has admitted by its actions that it is unable to keep up with the advancement of Richmond, or for that matter, any city that it serves.

In spite of our harbor or any other advantages, industries will not be attracted here if the city is served by a transportation system that is inadequate, out of date and sliding back instead of going ahead.

Yes, let's aid the Key System—In Getting Out—and leaving the field clear for a modern transportation system that can help the city in going ahead instead of acting as a detriment to every progressive move.

The company should not be permitted to pull up another spike in Richmond unless they agree to pull up all of them.

Is Richmond going to sit idly by and let this organization do as it pleases with the most vital essential of an industrial city? Only the citizens can answer.

MISS LEA VISITS
Miss Dolly Lea, of 1108 Channing avenue, departed recently for Los Angeles where she will visit for two or three weeks with friends and relatives.

BUS SERVICE EXTENSION PLANNED

Adequate transportation for the East Richmond section and the town of San Pablo looms with the application of Edward Lucas, owner of the Richmond Transit company for a change of routing for a bus he is now operating in a part of the east Richmond section. Lucas also plans to put on another bus if the permit is granted and will be able to provide a 15 minute service he states. That would be the best street transportation service which has ever been offered in Richmond to any residential section.

It is expected that a large number of citizens of the east Richmond section who were left without transportation last year when the Key System Transit company abandoned its line on the San Pablo avenue-Grand Canyon line, will aid Lucas at the hearing.

Others interested in the progress of Richmond are also expected to aid in boosting for the establishment of the new bus service as it would provide transportation to San Pablo, the airport, the proposed race track, the Union high school and both junior high schools. The proposed line also taps the section of the city, which has seen the most home building in the last few years.

Special Fare

Lucas proposed to charge a fare of seven cents for adults and five cents for school children.

Instead of using the present route of the business Lucas proposes to start at Tenth street and Macdonald avenue, out Macdonald avenue to San Pablo avenue, then along San Pablo avenue to the town of San Pablo, then to the Southern Pacific information station at the San Pablo Creek bridge, over Stockton and Twenty-third street to Richmond, passing the Richmond Union high school, and return to Tenth street and Macdonald avenue. Lucas stated that the present mileage of the route is 7.1 miles while the newly proposed route is only 7.4 and will serve a territory nearly twice as large.

Wants Even Break

"If the Key System Transit company is permitted to skim the cream by running a line out to the high school, I doubt very much if a success could be made of the project," Lucas stated last night in discussing his plans. "We are ready to provide the eastern section of the city and San Pablo with a modern, safe, fast transportation system if we are given an even break," Lucas concluded.

Fernald Rites Held Yesterday

Funeral services were conducted from the Wilson and Kratzer chapel here yesterday afternoon for Robert L. Fernald, former Richmond city councilman. Rites were under the direction of the Richmond lodge of Knights of Pythias with Rev. C. G. Lindemann officiating. Cremation was at Sunset View cemetery.

Palbearers were J. O. Ford, city assessor and tax collector; William Moore of the fire department; Oliver Wylie, inspector of the Richmond police department; William Ellis of the street department; John Wierick and W. P. Bauman of the Knights of Pythias.

Finals Of Flag Contest Held

Finals in the American Flag essay contest were held last night at the Memorial hall before a committee of judges from the various veteran organizations.

Prize winners were:
V. F. W. group—Boys prize won by Darrel Wuesthoff; Walter Thomas second and Clarence Poulson, third. Girls' prize won by Elizabeth Cole; Loretta Sargeant second and Audretta Sargeant, third.

Girl Scouts—First prize won by Miss Mary Reiser; Loraine Brown, second.
U. S. W. V.—Girls' prize won by Miss Edith Teese; Miss Madeline Ritcher, second and Julia Robbins, third. Boys' prize won by Frank Hafler with Seraphino Costa second.

Winners of first prizes were presented with medals and will compete at Oakland in the district contest.

POLICE HALT PARADING PUPILS

SAN MATEO, May 10.—UP.—Sons and daughters of capitalists went on strike here today for a principle and later claimed partial victory for their cause.

The heirs and heiresses comprised a good percentage of approximately 400 students who walked out of the San Mateo high school, for the institution is in the center of the San Francisco peninsula, where many persons of wealth reside.

The scholars, representing between 60 and 65 percent of the institution's enrollment of 600, according to Frank H. Boren, county superintendent, quit because two athletic coaches had been dismissed.

Coaches Cheered
James E. "Spud" Spaulding and George S. Reed, the coaches, were cheered as the strikers, with banners covering their expensive automobiles, parade through city streets.

While their shouts of "we want Spud—We want George" were shrieked, Boren announced suspension of their principal, Roy O. Deichner, but denied it had anything to do with the strike. (Continued on Page 4)

Clyde Inn May House Bridge Firm Workers

MARTINEZ, May 10.—(U.P.)—Clyde Inn, now operated by the Columbia Steel corporation to house workers at the Pittsburgh plant, may be leased to accommodate the crews which will work on construction of the new Southern Pacific bridge, it was learned today.

N. A. Backer, general superintendent of the steel corporation, admitted that negotiations are under way for leasing of the hotel. He declared that even if the negotiations fail, the inn will not be closed. In the event that the inn is leased, bus service will be operated between Clyde and Martinez to accommodate the workers.

INTERNATIONAL HOOKUP OF RADIO BROADCAST PLANNED

NEW YORK, May 10.—UP.—Forty million Americans gathered about their radio sets this fall may be able to tune in on London, with the same ease they now hear New York.

Other millions of Britons listening at the same time, may flip the dials and pick up an American program. It all is a part of a scheme now under way to link the two great English speaking nations in a vast radio hookup. When completed, the heard of radio listeners scattered through the farms and cities of the United States will find that the distance between this country and Eng-

County Labor Council Denies Endorsement

CENTRAL LABOR COUNCIL OF CONTRA COSTA COUNTY
Richmond, Calif., May 9, 1929
Richmond Record-Herald
Gentlemen:

This is official notification that the Contra Costa County Labor Council has not endorsed any candidate for city council. The policy of the Labor Council in the past has been to support their friends, without an endorsement. The same procedure will be followed in this, and all future elections.

Yours truly,
Viola Cox, secretary.

STATE POLICE BILL PASSED

SACRAMENTO, May 10.—UP.—A unified highway patrol for California is assured with the signing of the Breed Motor Vehicle act today by Governor Young.

The new law places all traffic officers in the state under central control, removing them from the authority of counties. They will operate under standardized and uniform rules and receive their orders directly from the head of the patrol in Sacramento.

There are other features of the bill tending to lighten the expense of the motorist and taxpayer. Reduction in chauffeur licenses, fees for owners of commercial vehicles, and reentering counties of salaries of traffic officers are some of the features of the measure.

Pension Bill
The old age pension bill, providing for payment of \$1 a day to needy Californians over 70 years of age who have lived in the state for 20 years or more, was passed by the state Senate. The recallists, however, steadfastly maintained their action was (Continued on Page 8)

Bold Car Thief Sought By Police

Richmond police are searching for one of the boldest motor car thieves in the history of the city. Alce Morris, 532 Twenty-first street, reported to the police department last night that his coupe was taken from the driveway beside his house at an early last night.

Morris reported that he did not hear the engine of his car start but that when he went out to park the car, it was missing.

3 KILLED IN POWDER BLAST

WEST HANOVER, Mass., May 10.—(U.P.)—Powder intended to be used by young America in the celebration of Fourth of July exploded prematurely and with frightful force here today at the National Fireworks company plant.

Three employees were killed instantly. Two others, one of them horribly burned and mangled, were reported dying tonight at the Brockton hospital in Brockton.

Except for minor burns in a few cases, the rest of the company's 350 employees, including 112 women, escaped unhurt.

Houses Wrecked
Only the fact that the 250 small buildings which comprised the factory were scattered over a territory of 180 acres prevented a heavy loss of life. So great was the force of the blast, which was heard in Brockton, 12 miles away, that three mixing houses, a drying house and a new automatic loading house in the firecracker section of the plant were completely demolished.

The dead:
Edgar Knight, 45, Hanover, father of four children.

Frank Buloff, 37, West Hanover. Teofil Skwarzyska, West Hanover.

Those reported dying at the Brockton hospital:
Robert Perry, Hanover. John Hanbury, Hanover, plant foreman.

All Accounted For
Two hours after the explosion, which was believed to have been caused by a static spark, President George A. J. Clark of the company announced that all employees were accounted for.

The explosion occurred at 2:20 p. m. while Perry was carrying a small tray of composition powder into one of the mixing rooms. Authorities believed it was this tray of powder, becoming ignited in some manner, which caused the tragedy. Perry expressed the same belief before he lapsed into unconsciousness enroute to the hospital.

Of the four men at work in the section of the plant where the explosion occurred, only Perry survived, and he was not expected to live out the night. Hanbury was probably fatally injured by flying timbers as he rushed to the aid of the victims.

Laddie Miller To Enter Army Flying School

Laddie Miller, son of Mr. and Mrs. L. C. Miller, 418 Thirty-sixth street left last night for Reno where he will graduate from the University of Nevada. Miller completed his studies in December.

He will leave on July 1 for Riverside where he will enter the March Field school of Aviation. Miller was accompanied to Reno last night by his brother, Burr Miller.

BUILDING PERMITS
L. I. Mason, was yesterday granted a permit to glass in a porch of a home on Forty-second street between Barrett and Roosevelt avenues. The permit granted by A. J. Hurley, city building inspector is for \$75. D. A. Dodge will do the work. A. E. Lindholm, was granted a permit to build a storage shed addition on South Thirty-fifth street between Cutting boulevard and Wall avenue and Wall street. The work will cost \$50.

One Dead; 15 Hurt In Chlorine Blast

SYRACUSE, N. Y., May 10.—(U.P.)—One man was dead and more than 15 persons were under treatment at hospitals tonight from the effects of chlorine gas which escaped when a huge tank exploded today at the Solvay Process company's plant near here.

The man killed was James Carlisle, 35, a workman at the plant.

Another workman, Charles Nov. 29, was in a dangerous condition. He is at the Solvay and Livermore pool, on opposite shores of Onondago lake, fled from their homes when state troops warned them that the deadly fumes were spreading over the countryside. The tank contained 9,000 gallons of gas.

The man killed was James Carlisle, 35, a workman at the plant.

Wilson was charged with abandoning a giant bomb, which crashed in a movie scene, before the other occupant had cleared.

Wilson and Phil Jones, mechanic, were flying in a scene for "Hell's Angels," when the ship got out of control. Wilson jumped with a parachute, but Jones, in the cabin operating smoke pots which were to have given the impression that the ship was on fire, was carried to his death. The statement said that Wilson was given a hearing by the Executive Committee and had furnished a written statement explaining his action. Wilson reported that an attempt was to be made to spin the ship from an altitude of 7500 feet. The committee received other reports that Wilson jumped "five seconds after the maneuver started and that Jones' continued operation of the smoke pots brought out that he was unaware of the fact that the pilot had jumped."

The Professional Pilots association is composed of aviators who have flown at least four years and will not fly passengers aerobically.

The statement tonight said that Wilson had been fined \$500 by the United States department of Commerce in connection with the mishap.

Many Apply For Jobs On Fire Department

Applications are being received by Fire Chief W. L. Cooper for positions on the Richmond fire department, according to an announcement made yesterday.

Chief Cooper stated that applicants must be over 21 years of age and below 35 years of age. Applicants must weigh at least 140 pounds and must be at least five feet, seven inches high. Only registered voters of the city will be allowed to make application.

Chief Cooper reported last night that a large number of applications have been received to date and more are expected. Time for filing papers will close within a few weeks. Plans for the examination are now being arranged for tests at least five feet, seven inches high.

Pittsburg Man Wins Race Against Death

BIRMINGHAM, May 10.—(U.P.)—Home of Pittsburg today was shattered by a bomb which killed three persons and injured many others.

At the hospital here, a man who had been in the hospital for several days, was reported to have recovered from his wounds. The man, who was identified as a member of the Birmingham police force, was reported to have been in the hospital for several days.

CLERIC DIES MARTYR TO GOSPEL

FORTLAND, Ore., May 9.—(U.P.)—A man who endeavored to walk humbly in the way of the Master died on a cot at Multnomah county hospital here—a martyr to the gospel he loved.

As he died, Andrew LaJunen, uttered a prayer of forgiveness and refused to sign a complaint against the assailant or assailants who administered a beating to him because of a sermon he preached at Multan, Ida., twelve days ago.

"God bless—" he never finished the plea, this circuit rider who carried the gospel to small, out-of-the-way places where men seldom here it.

LaJunen told friends he believed only one man struck him although several were gathered around. The man, he related, said something about "not wanting the gospel preached in this place."

After the beating LaJunen went to Spokane, then came here to visit friends. Two days ago he was taken to a hospital where physicians found he had a fractured skull and a broken leg. A day of consciousness—then darkness—"God bless"—death.

LaJunen came to the United States 19 years ago from Finland. He crossed the country six times, went into Alaska twice and was completing another cross country tour when he preached his last sermon at Multan.

The timely arrival of Mr. and Mrs. O. A. Record, 976 Thirty-sixth street at their home late last night prevented a burglary from ransacking the house. The thief managed to obtain a purse containing \$5, part of a church fund which was in the kitchen.

The rear door of the home had been broken down to gain entrance to the home.

According to police reports, it is believed the burglar was frightened away from the home when the record's returned after spending the evening with friends. Although there were valuables in other parts of the house, they had not been touched and appearances indicated that the thief had not had an opportunity to make a search of the home.

Eight U. S. Debs Presented At British Court

LONDON, May 10.—UP.—Queen Mary held her second royal court of the season at Buckingham Palace tonight, receiving eight more United States debutantes.

The court was as brilliant as that of last night, when Miss Helen Wills, California tennis star, and seven other American girls were presented. The weather was fine and the crowd which watched the debutantes arrive along the Mall, was greater than last night.

The court lasted two hours. The queen sat alone on the throne. The Duke of York attended his mother in absence of the Prince of Wales.

Mrs. Paul Greeng, San Francisco, was among those presented.

TRYING TO DISQUALIFY MELLON

Baiters of Secretary Mellon in the senate have been able to find no disqualifications except the fact that he holds stock in a number of corporations, therefore is "interested in carrying on the business of trade or commerce," in the language of the law. Of course it is very reprehensible for Mr. Mellon to hold stock in corporations but if he is disqualified by that fact who is qualified? Several million citizens are not thus disqualified, but does that fact not imply that they lack certain essential qualifications?

In order to administer the Treasury department, a man must have considerable knowledge of business, especially in banking and finance, which he can acquire only through experience in business. In the course of acquiring that experience, he usually acquires an interest in some business which in these days is almost invariably represented by shares of stock. If he has no such interest, he is presumably an incompetent business man and would be an incompetent Secretary of the Treasury. If we eliminate all who hold any stock and all who have had the opportunity to hold stock but have failed, only those who have never acquired an interest in business or have had no opportunity to acquire such interest remain, and the odds are 99 to 1 that none of them would know how to run the treasury department.

When congress passed the law imposing restrictions on persons who might be Secretary of the Treasury, we may not assume that it intended to perpetrate an absurdity. The rule of reason, as applied by the supreme court, must prevail. Before he took office Mr. Mellon undertook to comply with that rule by resigning ever yoffice, and directorate in a corporation. He also sold his interest in the distillery which the ultra-drys persist in wishing on him. That should satisfy any reasonable person, but it can never satisfy a democrat or a republican who nourishes a grievance about his income tax.—Portland Oregonia.

"FREEDOM OF THE SEAS"

The "Freedom of the Seas" means the abandonment of the right of blockade as exercised by Great Britain against the France of Napoleon and against Imperial Germany. It means a complete change in Great Britain's traditional conception of naval warfare. Nevertheless, in spite of the admiralty, the change will have to be accomplished. In the world as it is today the weapon of the blockade can no longer be used effectively by Great Britain unless as in the Great War she has most of the world and especially the United States on her side. But this same weapon, effective against her enemies only in special conditions never likely to recur, will be swiftly and mortally effective against herself in conditions that are extremely probably in any future war between the Great Powers. The "Freedom of the Seas" means permanent friendship with the United States and immunity from blockade (and therefore from destruction for this country). The continued unfreedom of the seas means enmity with the United States and, sooner or later, destruction for ourselves.—Manchester, England, Guardian.

"An international campaign has been started to protect whales and seals from extinction." That ought to be easy enough. All that is needful is to advise the seal to quit wearing such costly furs and to induce the whale to go in for reduction and eliminate the desirable blubber that tempts the oil men.—New Orleans Times-Picayune.

The ice manufacturers in Atlantic City have ordered all ice men to be attired in neat uniforms this summer, to speak gently and not tread with muddy shoes on freshly scrubbed kitchen floors. This shows that the iceless refrigerator competition is getting in its work.

Mother's Day

SUNDAY JUNE 12th

For whatever happiness life holds, one person is responsible—Mother—gentle, courageous, loving Mother. . . . Fitting indeed that one day each year be set aside to do her honor. Our lives, could they exist at all, would be utterly forlorn without Mother.

And just as the 25th of December commemorates *one* Mother's day, so does the second Sunday in May symbolize the day of *all* Mothers. It is the day of tender memories—rich in meaning, hallowed in sanctity—the day of brightest promise for the world.

Limas, Ryan Bout Cancelled

The 12 round battle between Jos Limas and Buddy Ryan, winner take all, has been postponed at the El Cerrito Athletic club. Limas is suffering from a broken thumb and will not be able to fight for several weeks.

Joe Rossi, promoter of the local club, will arrange another bout for the club Friday night.

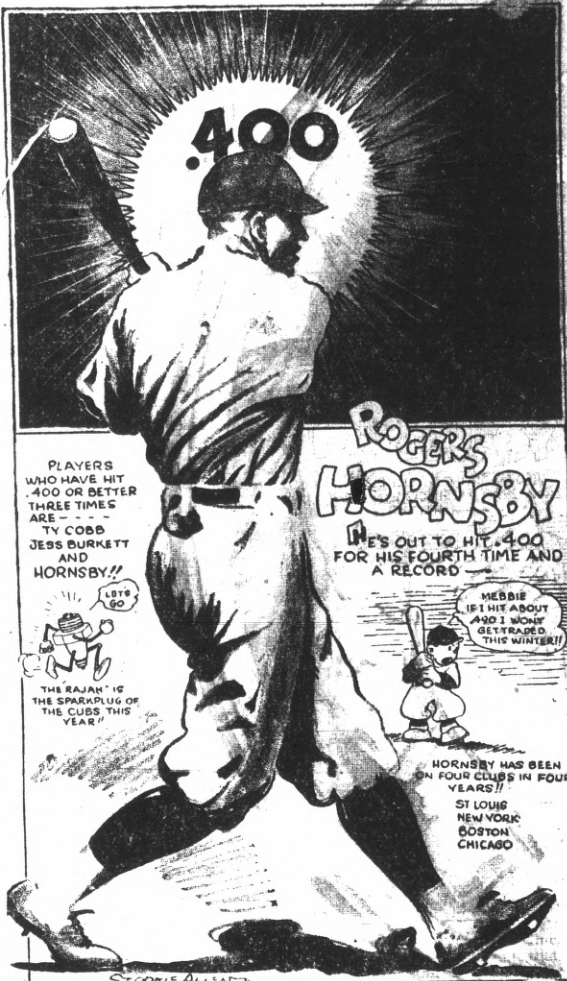

High Net Squad To Play Roosevelt

The Richmond Union high school tennis squad will meet the Roosevelt team at the City Hall courts Wednesday afternoon.

In Tuesday's juniors will meet Mt. Tamalpais school at San Rafael.

—RAGS WANTED—
RECORD-HERALD

Seeks .400 Mark

Rogers Hornsby, the much-traded second baseman of the Chicago Cubs is out to hit .400 again. This is much more important than it seems when you take into consideration that he already has hit .400 or better three times and if he manages to do it again he will hold the world's record in that respect.

Hornsby seems set for getting his .400 for these reasons: He hit .387 last year with a club that had no shot at the world's series money; he will not be bothered with managerial duties. These two things should add 13 points to most anyone's batting average.

He-Man Stuff At College

FRANCIS HUFF, gridiron player is only being initiated into a fraternity at the University of Missouri and has not reverted to the days of his early ancestors.

Thomas Motor Nine To Play Santa Cruz

The Thomas Motor nine of Richmond will meet the strong Santa Cruz Padres at Santa Cruz Sunday afternoon. Gene Valla manages the Santa Cruz nine and will pitch for that squad. Sil Compagna and Schmidt are scheduled to do the pitching for the local squad and Doyle Taylor will be carried along for right-field duties.

At the end of the year the derby is returned to the doctor, usually with a complete roster of the class autographed upon it.

153 Year Old Arab Reported

CAIRO, May 10.—(U.P.)—An Arab who claims to be 153 years old has been visited by a deputation including the provincial police commandant and the director of education for Cairo. They found him living in a tiny room six feet square in Fayum, near Cairo, and he appeared to be little more than a living skeleton, although he was in complete possession of his senses.

Questioned he said that he was born in 1776, the year of the American revolution, he remembered Mohammed Ali who massacred the Memelukes in 1811, that when he was forty he became a soldier.

The ancient Arab retains interest in politics and declares that the Arabs of today enjoy more rights than they did a century ago.

STARS DEFEAT OAKLAND IN FOURTH

SAN FRANCISCO, May 10.—(U.P.)—The league leading San Francisco Missions of the Pacific Coast league won their series with Sacramento today by defeating the Senators, 9 to 3, to make it four in a row.

Los Angeles remained six games behind the leaders but increased their advantage over San Francisco's Seals and Oakland, who are tied for third place, to two full games. The Angels beat Portland, 4 to 3, while Seattle was defeating the Seals 5 to 2, and Hollywood was trouncing Oakland 10 to 3.

The victories of the Missions and Hollywood were impressive, but the other two games were close and hard fought.

Seattle tied the score with one run in the ninth inning and then scored three in the first of the tenth to win its first game of the week. The Angels were trailing at the end of the seventh inning but made two in the eighth to gain the one-run margin over Portland. Hollywood started out ahead and stayed there but the Oaks made three runs in the first and held the advantage until Hollywood made four in the fifth, Oakland meanwhile being held scoreless after the first session.

El Dorado Lures Aged Prospector

SAN FRANCISCO, May 10.—(U.P.)—It's broke now, and maybe it's too late for me to try and recuperate," said Anton Hanson, 84, once a wealthy miner, as he entered the city and county hospital here, his feeble body tortured by fever and the effects of pneumonia.

But in the next breath there spoke his hope eternal.

"But maybe I can make another pile which I get over this blamed 'flu' business. It's pretty hard, though to start business at my age without money, just like climbing a wall without a ladder."

Richmond Net Players To Play In S. F.

Five Richmond tennis players will meet in the Golden Gate Tennis club's title matches today at San Francisco.

Melvin Avila is scheduled to meet Charles Hunt, a seeded player, at 9:30 this morning. In the doubles Avila will be paired with Bertel Peterson and will pay Peter Vondres and Joe Marquis. An hour later Philip Carlson and James Hurley will meet Robert Clay and Charles Mitchell.

In the senior division, Frank McKnight of Richmond will meet Fred Byers at 10 o'clock Sunday morning.

Tony Canzoneri Beats Rontis In Non Title Bout

CHICAGO, May 10.—UP—Tony Canzoneri, New York, was given the referee's decision over Andre Rontis, of France, world's featherweight champion in a ten round non title bout here tonight.

Although the victory did not win back his title, Canzoneri partially evened a 15 round beating which Rontis gave him in New York when he took the featherweight title from Tony.

Now Is The Time To Buy

Real Estate in Richmond, Either a Home Or As An Investment

Macdonald Avenue is now and will always remain the Main business street. I have several large lots only one, two and three blocks from it on both sides between 6th and 16th streets. Buy one and I will build a home to suit you, and sell it to you on easy terms, or cheap, for cash. Save time by walking to and from your work. They are sure to increase in value. This kind of property has made the greatest fortunes for many conservative investors.

A SPECIAL OFFERING

Owner having moved old house off of lot 50x112 1/2 it now has gas, water and sewer mains in from front to back; also a good garage. Some fruit trees in back yard and two large palm trees in front yard. Located on 17th St. North, 2 blocks from Macdonald Avenue. Price very low as owner needs money. Come and let me show you this lot and I will surprise at the low price. 50x112 1/2 So. Side of Bissell between 14 and 15 Streets. 75x112 1/2 West side of 14th Street, near Bissell Ave. 75x112 1/2 Northwest corner of 14th and Chanslor Avenue. 75x112 1/2 East Side of 18th, between Bissell and Chanslor. Fine location for apartment house, or for 2 residences.
